10 Days That Unexpectedly Changed America: When America Was Rocked

You are about to view a film on Elvis Presley's appearance on the Ed Sullivan Show. The History Channel claims it significantly changed American culture.

In three short paragraphs explain how the emergence of Elvis and Rock n Roll changed American culture in the 1950's. Each paragraph should have a topic sentence that clearly identifies the cultural change Elvis had on 1950s America. The rest of the paragraph should give evidence (at least 2 details) backing up the topic sentence.
